

JAY JEFFERS

Designer: Jay Jeffers. Company: Jay Jeffers, San Francisco, USA. Offering a full range of concept to installation services including interior architecture, custom furniture design, art and antiques acquisitions and decoration. Recent work includes an expansive bachelor pad in Russian Hill and a \$15.95M penthouse at Related's The Avery, both in San Francisco, as well as the home of Arteriors founder Mark Moussa and Juliette Aston, a ground up, new build in Dallas. Current projects include the design of a large home in North Port, Michigan, a modern masterpiece in Hillsborough, California, a ground up Californian, hacienda style ranch home in Carmel Valley, an historic Victorian home in downtown Aspen and a contemporary beach home in Los Angeles' Manhattan Beach. Design philosophy: luxurious, liveable homes with soul.
